

Noise and Vibration solutions that are good for business. And good for the environment.

Vibration Products provides complete product offerings for both HVAC and Architectural Noise and Vibration Control Solutions.

We work with you to provide engineered, Turnkey solutions that may include both materials and installation.

We also have a Registered PE on staff to meet any project requirements. We pride ourselves on excellent customer service to provide Owners, Architects, Engineers, and Contractors, noise and vibration solutions to meet their needs

## Noise Control

### Kinetics Noise Control

[www.kineticsnoise.com](http://www.kineticsnoise.com)

Vibration isolators, hangers, seismic isolation, floating floors, sound attenuators, curtains, panels, enclosures, wall panels, baffles.

### Noise Barriers, LLC

[www.noisebarriers.com](http://www.noisebarriers.com)

Sound control doors, windows, enclosures, barriers and absorption systems.

### Sound Seal

[www.soundseal.com](http://www.soundseal.com)

Soundproof curtain panels, enclosures, absorbers, and vinyl barriers. Acoustical underlayments, wall panels, baffles, and acoustic wood systems.

## HVAC/Vibration

### Kinetics Noise Control

[www.kineticsnoise.com](http://www.kineticsnoise.com)

Vibration isolation and seismic restraint.

Manufacturers of vibration control systems, seismic restraints, professional engineering certifications, acoustical wall, ceiling and floor systems, building isolation systems, flexible pipe connectors

### Flex-Hose Co.

[www.flexhose.com](http://www.flexhose.com)

Pipe expansion compensation. Stainless steel, copper, and rubber flexible connectors. Prefabbed seismic loops, expansion joints, control units, and pipe guides.

### Trerice

[www.trerice.com](http://www.trerice.com)

Temperature and pressure indicating.

Manufacturers of a complete line of thermometers, pressure gauges, diaphragm seals, accessories, industrial, mechanical and plumbing applications.

Vibration Products Inc. has helped many notable institutions with noise control and HVAC solutions.

Noise and HVAC solutions that are good for business.

And good for the environment.
